

26TH ANNUAL CFEO GOLF TOURNAMENT 2019

LET'S GIVE EDUCATION OUR BEST SHOT!

SATURDAY, APRIL 20, 2019

PURPLE SAGE GOLF COURSE

Sponsored annually by the Caldwell Foundation for Educational Opportunity and West Valley Medical Center, this is the first scramble of the season. We are honored to have the support of our community partners who share our goal to elevate educational opportunities for our students and our community's future. Please join us in our efforts by considering one of the below listed sponsorship opportunities. Your distinguished participation will be recognized at ALL CFEO events 2018-2019.

This event is the only major fund-raising event for the CFEO General Fund. Last year we raised nearly \$10,000 thanks in large part to our sponsors. Since 1992, CFEO has awarded almost one million dollars in scholarships and grants to students and teachers in the Caldwell School District. In 2018 alone we awarded over \$52,000 through our 48 endowed scholarships and grants which supported programs such as orchestra, robotics, science trips, Wagons Ho, history competitions and study abroad.

CFEO is a registered 501(c)3 organization with an educational mission. Contributions may be tax deductible. If you have questions, please contact Kathi O'Bannon at 208-440-5283.

Thank you in advance for your support!

Kerry Pagenkopf, Retired
Tournament Chair
